Fds for sanction & ratify of the Resolution
dated 29-3-1947 of the city Municipal Council
in regard to the grant of a triangular shed of
land measuring 2540 sq yards in the
Kalaimahalyam Extension at an upset price of
Rs 4- per square yard to the Bureaucracy Gymkhana
Samaja for constructing a Music Hall

It is seen that there has been difference
of opinion between the City Improvement Committee
and the City Municipal Council, regarding the
upset price to be fixed for the said site

2) The City Improvement Committee wants to
fix the price at Rs 15- per square yard, while
the City Municipal Council has fixed the

5648 5 9080 L

upset price at Rs 4- per square yard

19) It is not known what its market value is and whether the Samaja is agreeable to purchase it at the upset price, as the Secretary of the Samaj has asked for a suitable site, free of cost

20) The result of the Bureau will be sent to Govt for orders

3/5

21) The resolution of the Bangalore city Municipal Council to grant to the Bangalore Gayana Samaja, the triangular bit of land shown in sketch at an upset price of Rs 4/- per Square yard may be approved The Gayana Samaja is not a profit-making body but a Society interested in the development of art and hence it deserves encouragement If the purpose of the grant is not fulfilled and if the building is not constructed within a period of three years, the site together with any structures that might be standing on it might be resumed to Govt.

**Council Proceedings dated 29-5-1947.**

**Sub:**

There was a good deal of discussion on the subject, some members like Messrs. H.C Suryanarayana Rao, G. Ranjappa, S Krishnappa, all observing that the land be given free of cost as the institution was doing very good work for the progress of art and they also opined that if any money was recovered from the party for the land, the Municipality would lose the right of resumption in case the object for which the land was given, was not fulfilled.

Mr G.V.Ramachar moved an amendment that the land may be given at Rs.4/- per sq. yard and subject to the usual conditions as to the power of Municipality to resume in case of non-fulfillment of the conditions, he said that even in case of free grants for a set purpose the power to resume, still vested in the Municipality.

Mr. Devdas seconding the amendment said that they were justified on levying a rate of R.4/- per sq. yard since this Samaj was more catering to outside talents and secondly, were in a position to pay the amount. Further they had given lands to Raghupathy Memorial Club and Varadachar Art Association, subject to recovery of layout charges. In this case also, they may recover the said charges.

Mr.D.Venkataramanappa further supported the above views.

Then the amendment of Mr.G V.Ramachar to grant at Rs.4/- per sq yard was passed, 10 voting for and 8 Against.

Sir,

With reference to the correspondence ending with your letter No A 7 D F 92/47, dated 7th February 1948 on the above subject, I am directed to enquire whether there were any instructions by the late Minister for Education and Public Health in regard to the price to be charged for the site proposed to be granted to Gayana Samaja at the spot inspection conducted by him and the views of the Municipal Council in this behalf are as the point is not specific in the resolution of 28

SIR,

Subject - Grant of land measuring 1680 sq yards in the Kalasipalyam layout to the Bangalore Gayana Samaj

====

With reference to the above, I have the honour to state that there appears to be some mistake in your letter No L 15148 dated 30-3-1948 in which the subject has been referred to as "Grant of land free of cost, etc " There has been no intention on the part of the Municipal Council to grant the said site free of cost In reply to the query raised in your letter under reference, it may be stated that on 14-3-1947 the City Improvement Committee passed a resolution that the Gayana Samaj may be granted the triangular bit of land marked as "lawn" in the lay-out plan of the New Kalasipalyam extension (west of sites 35 and 56) at an upset price of Rs 15/- per square yard It was subsequently found that the plot proposed was too large for the purpose, and the Samaj authorities also represented that the upset price fixed by the City Improvement Committee was too high considering the object of the grant The then Minister for Public Health and Education (Dr T C M Royan) was pleased to inspect the locality and in his presence a portion only of the originally selected site was chosen for the purpose, the area of the plot fixed being 1680 sq yards (which the Samaj authorities themselves opined would be sufficient in this connection) The late Minister did not, during his inspection, discuss the matter of upset price to be fixed by the

the Municipality That was left to the Council itself.

The whole matter, was then placed before the Municipal Council at their meeting held on 29-3-1947, and it was decided (after some discussion) that the site now chosen (1680 sq. yards) be granted to the Samaj at an upset price of Rs 4/- per sq yard. The matter now rests there

It is urged that under the circumstances, sanction of Government may be obtained to the resolution of the Council referred to above

I have the honour to be,
Sir,
Your most obedient servant

Letter No 4086 dated 24 8 1943 from the Chief Engineer of Mysore - Re: the grant of a building Site for the Gayana Samaj Bangalore -

1) Govt in their Order No PW 1470-75 3/58 approved of the lay out plan of the area by the Side of the Fort High School Bangalore indicating the Sites that are available and the Institutions to which they may be granted

2) The Gayana Samaj was one of the Institutions who had applied for the free grant of the Site by the Side of the Sanskrit College, but they were intimated in PW No 9908-9 dated 5-6-42 that there was no Site for their purpose in the Fort area, but the question of granting a Site for them in any other locality would be considered, if the Samaj can collect and show in Cash funds to the extent of Rs 10,000/- for putting up a Suitable building

N

3) The Samaj in their letter dated 17-7-43 have intimated that their Cash assets for the building exceed Rs 10,000/- and have renewed their request for the free grant of the Site by the Side of the Sanskrit College, as the proposed new building for the Fort Middle School for which the Site asked for was reserved has now been dropped Consequent on the purchase of

14 The site in question was earmarked by Government in their Order No P W 1470-75 dated 15th August 1942 for constructing a new building for the Government Middle School, Fort, and plan and estimate for the work were obtained and returned to the Public Works Department countersigned on 4th December 1942

15 Later, the question of purchasing the New High School building belonging to Dr Paul Chinnappa came up and it was believed that if that building was purchased the Government Fort Middle School, which was badly housed and for which the construction of a new building had been sanctioned on the site in question, as well as the office of the Deputy Director, Bangalore Division, could be housed in it In view of the contemplated purchase of the building for the above purposes, the construction of a building for the Fort Middl School was ordered by Government, (vide P W D Secretary's lett to the Chief Engineer No 9007 dated 9th June 1943) to be deferred

Although the New High School building has been purchased, neither the Fort Middle School nor the Office of the Deputy Director of Public Instruction, Bangalore, has been shifted to that building Since the Bangalore City Municipal Council have brought to the notice of the Department that the site was given to Dr Paul Chinnappa for constructing a building for a private high school and would have to revert to the Municipal Council if the building was put to any other use, only the additional sections of the Government Fort High School which had to be opened to accommodate the ex-pupils of the New High School are now held in that building

17 It is difficult to say if the Fort Middle School would or could ever be housed in Dr. Paul Chinnappa's building For, not only does the Fort High School require large extra accommodation for its additional sections, but the Government Urdu Middle School, Visveswarapuram, requires suitable accommodation and the Kannada Girls' Middle School, Visveswarapuram, opened this year also needs a building, not to speak of the Deputy Director's office for which a suitable rented building has not been found

18 In view of the extreme shortage of accommodation for Government educational institutions in the Fort and Visveswarapuram area, and the inadequacy of New High School building for all the Departmental requirements, it is not at all desirable that the site reserved for Fort Middle School building should be given over to Gayana Samaja I am definitely of opinion that a new building for Fort Middle School is still necessary, as the New High School building is required for the additional sections of the Fort High School, the Deputy Director's office, and if possible also the Government Urdu Middle School, Visveswarapuram there would still be need for a new building for Kannada Girls' Middle School, Visveswarapuram.

Dear Sir,

Subject - Grant of a Building Site to the Bangalore Gayana Samaja

---0---

I write to invite your kind reference to correspondence ending with my letter dated 20th January 1943, reporting to Government the fact that the Cash assets of the Samaja exceed Rs. 10,000 and asking for the grant of the Site adjoining the Sanskrit College in the Fort area In the course of a subsequent interview that I had with the Dewan Saheb, it transpired that Government wished to build the Fort Middle School on the site in question and that, but for this prior decision, it would have been possible to grant the site to the Samaja, since all Cultural Associations are located in that particular area

It is now understood that Government have passed Orders that the Fort Middle School might be located in the building which has been recently purchased from Dr Paul Chinnappa This would mean that the Site next to the Sanskrit College is now available for being granted to the Samaja to enable it to put up a decent Hall which would be an ornament to the locality

In this connection, I may add that the required funds for putting up the building for the Samaja almost immediately have been promised by certain philanthropic Music Lovers, provided a decent site in a suitable locality becomes available

P T O

I, therefore request you to be so good as to obtain the favourable orders of Government regarding the free grant of the Site in question to the Bangalore Gayana Samaja

Yours sincerely
